	TOTAL	540		32 total credits	

The program will have 540 practicum hours-

Practicum hours—classified as either *Direct* or *Indirect*—will be guided by the course faculty.

- **Direct practicum hours involve on-site, in-person engagement or interaction with a preceptor of your choosing. These hours emphasize active participation in leadership and decision-making processes that influence outcomes.**
- **Indirect practicum hours include activities that support the development of leadership competencies but do not require direct interaction in a clinical setting (e.g., lab simulation, conference attendance, etc.).**

**MSN IN LEADERSHIP & MANAGEMENT
PLAN OF STUDY – PART TIME (2 ½ years)**
